Dear Friend:

I have at last gotten aroun to answering your letter of October 9th. I have really been lazy since the season closed and as a result have neglected to do a lot of things I should. But one season with this business is enough to exhaust anyone.

I want to thank you for your nice letter, and tell you I hope very much we will be able to arrange a spring training trip as you suggested. I guess you know the two leagues are supposed to meet in New York December 15th, and I suppose you will be there. If so we can get together at that time. If you are not comming up, please write me, and we can go into details through the mail.

I do hope our transportation will be a lot better this comming season. If we just had the right person to make the right contact for us in Washington, a lot of our problems would disseppear. Well all we can do is hope for the best.

Please let me hear from you. Best wishes for your good health. My regards to Mrs Harden.

Very Truly Yours
